Cato's Interior Trim, Inc. has been in business for over 20 years serving the metro Atlanta area.

Their dedication to the Builders and Homeowner's satisfaction has established a reputation for attention to detail and high-quality craftsmanship.

Through their affiliation with several high-end custom home builders, Cato's Interior Trim has created some very exciting and inviting new basement areas.

The word spread about their accomplishments and so the principals at Cato's Interior Trim formed Your Basement Store to offer the general public the same level of craftsmanship at affordable prices.
